

## NEWS RELEASE

### ORGANIC GARAGE LAUNCHES PARTNER PROGRAM

October 24, 2017, Toronto, Canada: Organic Garage Ltd. ("**Organic Garage**") (TSX-V:OG) is pleased to announce that the company is launching its brand new "Hand-Picked Partner" program in existing and future Organic Garage locations. The program will enhance the already well-received customer experience and offer made to order and ready-made food and beverage options prepared by third party partner brands. The company will allow selective partner brands space in Organic Garage locations to add a specific category to the stores offer. The partners provide the product, people and passion so Organic Garage customers can experience what the brand has to offer.

Matt Lurie, CEO of Organic Garage commented, "The development of the "Hand-Picked Partner" program is very exciting as this allows us to leverage the great locations we have and add more services for our customers to enjoy. Not only does this benefit the stores sales by driving more traffic into the locations but it will drive down occupancy costs through a shared revenue/rent model with the proposed partner that will make the stores incrementally more profitable. We look forward to being able to announce in the future the different brands that we are already in discussions with."
