ORGANIC GARAGE EXPANDS ITS PRIVATE LABEL KITCHEN ORIGINALS BRAND

The Company adds Certified Organic Cantina Style Tortilla Chips to brand lineup

November 11, 2021, Toronto, Canada: Organic Garage Ltd. (TSXV: OG | OTCQX: OGGFF | FRA: 9CW1), one of Canada’s leading independent organic grocers and a developer of plant-based foods, is excited to announce the expansion of its private label Kitchen Originals brand to include a Certified Organic Cantina Style Tortilla chip. The chips are made with 100% Canadian corn flour and are trans fat free, cholesterol free and gluten-free. The company chose a cantina style tortilla to differentiate itself in the market and this cantina style tortilla is first baked then fried which minimizes the oil absorption and produces a pure and authentic flavour. The tortillas build on the already impressive lineup of private label products in the Kitchen Originals brand and helps deliver on its tagline of “Eat like a chef for less” with this premium style chip at an everyday affordable price.

Matt Lurie, President & CEO of Organic Garage stated, “Adding this product to our Kitchen Originals lineup continues the tradition of bringing our customers the best products from around the world and delivering chef quality products at everyday low prices. Our private label brand is meant to celebrate the “Kitchen Originals” who create and inspire every day at home or at work and will use our products in the next round of creative thinking that continues to drive the food industry forward. Eating like a chef doesn’t have to break the bank; Kitchen Originals and this new product prove that exact point.”
